**3. Total AMOUNT of Funds DISTRIBUTED TO DATE**

As of June 30, 2021, Corinth Academy of Cosmetology received \$62,000 of the \$127,724 granted of the Emergency Financial Aid Grants to Students under Section 314(e)(a)(1) of the CRSSA Act (a)(1) (HEERF II). Receipt of the first disbursement was May 5, 2021. The total amount of Emergency Financial Aid Grant funds under the CRSSA Act distributed to students as of June 30, 2021, is \$60,950.

**4. ESTIMATED NUMBER of ELIGIBLE STUDENTS**

An estimate of fifty-five (55) students were eligible in May and June at Corinth Academy of Cosmetology to participate in HEERF II (CRSSAA) disbursement. Funds were distributed based on a weighted formula allowing Title IV Financial Aid Grant recipients a greater allocation % of monies released each month. The formula may be requested from our financial aid office.

**5. Total NUMBER of STUDENTS who RECEIVED an EMERGENCY FINANCIAL AID GRANT**

As of June 30, 2021, fifty-seven (57) students have received an Emergency Financial Aid Grant under Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA).

**6. METHOD OF DETERMINING WHICH STUDENTS WOULD RECEIVE an Emergency Financial Aid Grant**

Corinth Academy of Cosmetology has determined to provide all enrolled students (not on leave of absence) funding opportunity based on a weighted formula. This formula calculates a greater weight for students with a "0" EFC on their ISIR. Additional calculations are a factor of attendance percentage from the prior month and grade point average. This calculation is done monthly and grants are provided monthly for four (4) months beginning May 2021 through August 2021 with intentions of consuming all grant aid based on release from G5 by the 15th of the month. By using the weighted average which provides students with greater need a larger disbursement, we feel we have accomplished the purpose for distribution of funds. Students were required to return a need application to be considered. Due to the number of eligible students monthly, and the disbursement amount pulled monthly, the maximum and minimum varied from month to month. For Q2 2021, May disbursements were \$500 for all students while the academy developed the disbursement formula. In June 2021, the maximum disbursement was \$750 per student and minimum was \$200.
